

REMARKS

Claims 42-75 are pending in this application. Parent claims 1-41 are cancelled; claims 42-75 are added. Support for the added claims can be found throughout the specification and in the originally filed claims.

The herein amendments to the specification add a lineage and an incorporation by reference of documents to the present application.

No new matter is added.

Sequence Listing

The attached printed version of the sequence listing is identical to the sequence listing submitted on February 7, 2002 for parent application Serial No. 09/884,514. The required statements under 37 C.F.R. §1.821 (f) and (g) follow. It is requested that the USPTO use the electronic version of the sequence listing in the prior application, making any necessary changes therein for this application, e.g., as to Serial Number and filing date.

Pursuant to 37 C.F.R. §1.821(g), the undersigned hereby states that this submission, filed in accordance with 37 C.F.R. §1.821(g), does not contain new matter.

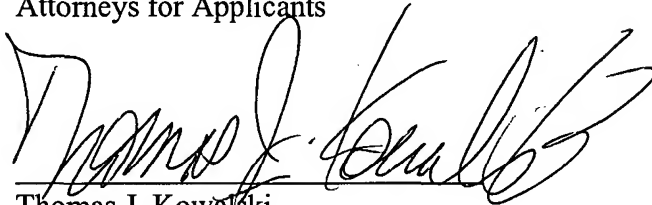

Pursuant to 37 C.F.R. §1.821(f), the undersigned hereby states that the content of the paper copy submitted in this application and the computer readable copy of the Sequence Listing submitted on February 7, 2002 in U.S. Serial No. 09/884,514, in accordance with 37 C.F.R. §1.821(c) and (e), are the same.

Early and favorable consideration of the application on the merits are earnestly solicited.

Respectfully submitted,
